# Faculty of Law of Masaryk University

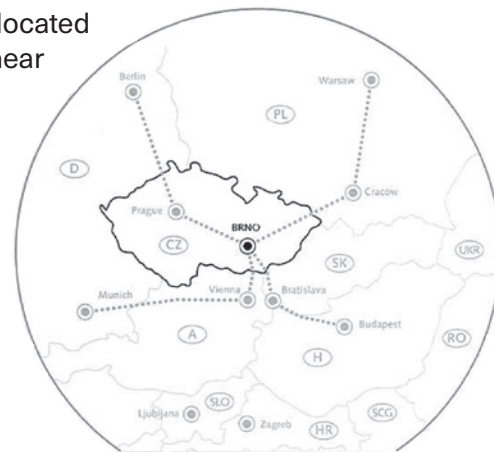

## Leader in Legal Science and Teaching

The Faculty of Law of Masaryk University is one of the prestigious legal and educational institutions in the Czech Republic as well as abroad. The history of its activities goes back to the very beginning of its birth in 1919, when it was one of the four founding faculties of Masaryk University. With its solid historical background today it is often characterized as a modern, dynamic faculty, where the central focus is linking teaching and research.

### Brno

Brno is the second largest city in the Czech Republic with approximately 400,000 inhabitants. The city is known as a centre of university education because it is home to 5 universities with almost 90,000 students. Brno is also the center of the judiciary – all supreme courts are headquartered here in Brno.

The Faculty of Law is located in the center of Brno near the Constitutional, Supreme and Supreme Administrative Courts, together with The Office of the Public Defender of Rights and The Office of the Protection of Competition.
